Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Wednesday 28 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers easing to leave a largely dry night.

This Evening and Tonight:
Any showers or rain will tend to ease this evening, which will leave a largely dry night, with some clear spells developing. Cloudy with some outbreaks of rain lingering over western hills. Turning breezier overnight. Minimum temperature 9 deg C (48 deg F).

Thursday:
A bright start but soon becoming cloudy during the morning. A risk of further showers developing in the afternoon and into the evening. Warm in the sunshine between the showers. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
Often changeable throughout the period, with a mixture of sunshine and showers, these often heavy and possibly thundery, especially on Friday and Saturday. Drier and brighter on Sunday. Feeling cool.
